

JEB DUNNUCK 90

2018 Hedges Family Estate Cabernet Sauvignon Red Mountain

The 2018 Cabernet Sauvignon Red Mountain checks in as 89% Cabernet Sauvignon, with the balance Merlot, Cabernet Franc, Malbec, and Petit Verdot, all from a mix of sites on Red Mountain. Plenty of smoked black fruits, lead pencil, leafy tobacco, and baking chocolate notes give way to a medium to full-bodied, well-made, nicely textured, and balanced Cabernet. The American oak is borderline too much, but again, it holds it together and certainly has character.
