Production Method

Grapes are from Les Gosses and Hedges Estate vineyards. This wine is a combination of an early September picked field blend of varieties, picked early and fermented in a lightly macerated style, some on skins and some off skins. Aged in stainless steel tank and neutral barrel until bottling.

Harvest Notes

Multiple vintages can make up the majority of this wine. Our typical seasonality is defined by long warm growing days, fast draining high PH soils, high night/day diurnal temperature swings, all framed by a northern latitude pedigree.
